## black poly gloves

**Use disposable black poly gloves for your cleaning needs.**

- Loose fitting to easily take on and off
  - Lightly embossed texture for improved grip
  - Elbow length for greater protection
- 
- Train employees to use the black poly gloves when cleaning so there is clear differentiation between maintenance tasks and food preparation tasks.
  - Foodservice workers do not want to share reusable gloves with others. Disposable black poly gloves provide an easy way to overcome this objection.
  - Health inspectors like the differences clearly shown between cleaning and food preparation by using the black gloves.
